Experienced Full-Stack Developer with 8+ years of hands-on experience building responsive, scalable web applications using React, JavaScript (ES6+), Node.js, Express, MongoDB, SQL, and EJS. Proficient in developing RESTful APIs, integrating authentication and authorization (JWT, OAuth), and ensuring cross-browser and mobile compatibility. Experienced with Python and frameworks such as Flask and Django for building backend services. Skilled in performance optimization, database design, CI/CD deployment, and Agile team collaboration. Passionate about delivering clean, user-friendly interfaces, efficient backend logic, and solving real-world business challenges.

WORK EXPERIENCE

CodeShift Technologies - Full-Stack Developer (Remote)

New Jersey, USA | 2023 – Present

- Led development of scalable web applications using **TypeScript**, **React.js**, and **MongoDB**.
- Built and deployed **RESTful APIs** with **JWT** and **OAuth 2.0** for secure role-based access.
- Integrated **PostgreSQL** and **MySQL** for enterprise-grade relational data management.
- Styled components with **Tailwind CSS**, **Styled Components**, and ensured **Web Accessibility (WCAG)** compliance.
- Improved performance through **debugging**, **cross-browser testing**, and **CI/CD** pipelines on **Netlify** and **Render**.
- Developed microservices and APIs using **Python**, **Flask**, and **Django** for backend scalability.

SoftNest Solutions - Software Engineer (On-site)

Kyiv, Ukraine | 2016 – 2023

- Developed web applications using **EJS** templating with **Node.js** and **MongoDB**, scaling to thousands of users.
- Built internal tools with **Python**, **Flask**, and **SQL** databases to streamline business operations.
- Delivered **100+ responsive websites** using **HTML5**, **CSS3**, and **Figma** designs.
- Integrated **Stripe** and **PayPal** checkout flows, improving payment success rates.
- Automated lead capture via **HubSpot** and **Zoho CRM** integrations.
- Collaborated in **Agile/Scrum** teams with **Git** and **GitHub**, improving team delivery and communication.

EDUCATION

Ivan Pul'uj' Technical University Ternopil, Ukraine
Master's Degree - Information Technology 2020
Ivan Pul'uj Technical University Ternopil, Ukraine
Bachelor's Degree - Systems Technology 2019
